

# 新建VS2010工程

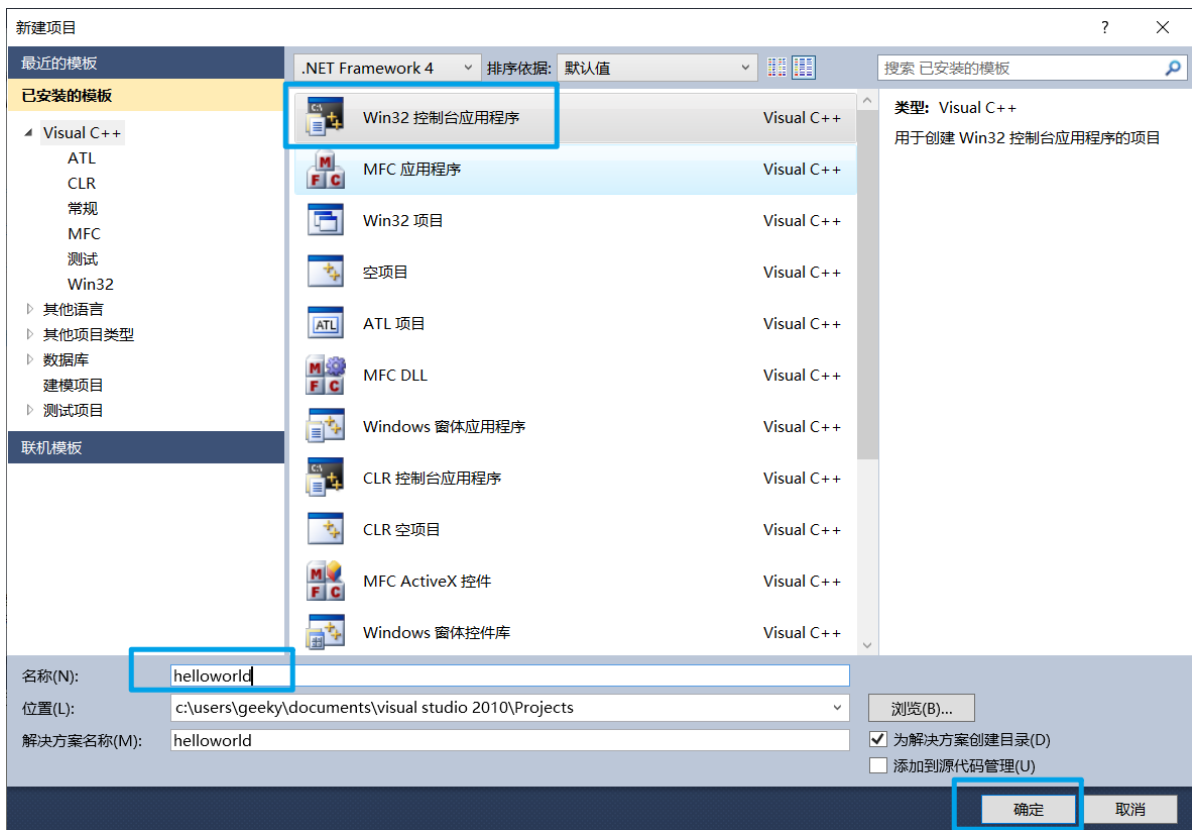

## 安装easyX

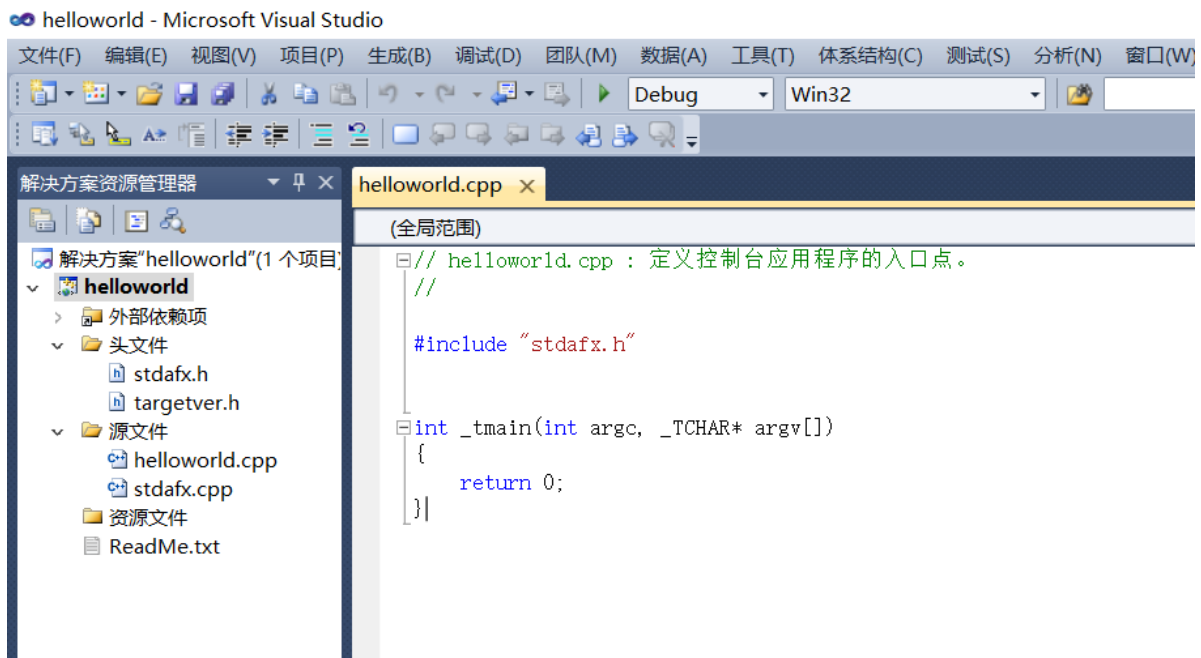

## 新建VS2010工程

## 输入helloworld

```
#include "stdafx.h"
#include<stdio.h>
#include<stdlib.h>

int _tmain(int argc, _TCHAR* argv[])
{
    printf("Hello world!\r\n");
    system("pause");
    return 0;
}
```

c:\users\geeky\documents\visual studio 2

Hello World!  
请按任意键继续. . .
